1. About Government Degree College Chamba

Geographically, Chamba is bounded on north-West by Jammu and Kashmir, on the North-East and East by Ladakh area of Jammu and Kashmir State and Lahaul and Bara-Bhargal area of Himachal Pradesh, on the south-east and south by the Kangra district of Himachal Pradesh and Gurdaspur district of Punjab. In circa 500 AD, a legendary hero called Maru, migrated to north-west from Kalpagram (a mythical place from where majority of the Rajput dynasties claim their descent) and founded Brahampura (Bharmour) in the valley of the Budhal River, seventy five kilometer to the east of present Chamba town. His successors continued to rule over the country from that capital city for over three hundred years until Sahil Verman shifted his capital from Brahampura to the more centrally located plateau in the lower Ravi Valley. He named the town after his beloved daughter Champa. His Rani voluntarily offered herself a sacrifice to bring water for the town's people through a running channel originating from a place called Maloona. The layout of Chamba seems to be in conformity with the ancient texts. From this period onward, the Rajas of Chamba continued to rule in an uninterrupted and direct line of descent.

The Chamba town is situated at a distance of about 28 Km, 54 Km and 120 Km respectively from Khajjiar the 'Mini Switzerland' of India, Dalhousie a world-famous tourist place and Pathankot (the nearest railway station). The nearest airport is Kangra airport located at Gaggal which is 116 km from Chamba. In the field of education, the mile stone was achieved when the college was established by the Government of Himachal Pradesh on 15th May, 1958 as a co-educational institution in the historical Akhand Chandi Palace of Chamba (hereinafter first campus). The college is perched near the foot of gentle slopping valley overlooking Chowgan a big rectangular ground and the hub of various activities. It holds a majestic picturesque view in the densely populated Chamba town.

The Govt. Degree College Chamba was Re-accredited with Grade “B++” by NAAC in August, 2022. The college has been continuously paving ahead under the patronage of the Government of Himachal Pradesh with creative team of 65 faculty members and 4269 students enrolled in undergraduate and post-graduation programs in the session 2022-23. The college is fully financed by the Government of Himachal Pradesh and is recognized by University Grants Commission (hereinafter UGC), New Delhi under section 2(f) and 12B of UGC act 1956. The college is affiliated to Himachal Pradesh University, Shimla and has switched to Choice Based Credit System (CBCS) for Under Graduate classes from academic session 2013-14 under the guidelines of Rashtriya Uchchatar Shiksha Abhiyan (RUSA).

The college is recognized as District Green Champion in Chamba District by the Mahatma Gandhi National Council of Rural Education, Ministry of Education, Government of India for the academic year 2020-21 and also a participating institute in Unnat Bharat Abhiyan 2.0 of Ministry of education. In recognition of its services, the college is included in the Mahavidyalaya Utkrisht Scheme of the Himachal Pradesh government for the year 2021 to modernize the college.

The first campus of the college is situated in historical Chamba town, which is on the right bank of rippling ancient Iravati River (presently Ravi). In the year 2015, after 57 glorious years of service to the society from the first campus, the second campus of the college was established at Sultanpur which is about four (4) km from the first campus. At present, the second campus is functioning as main administrative unit and it is the campus for regular graduation programs.

The college has two (2) ST hostels for boys and one SC hostel for boys at Mohalla Jansali, near government ITI Chamba and situated at distance of 500 meters from the first campus. The first ST hostel has well-furnished 08 rooms with capacity of 24 residents, one common room, one mess, washrooms and hostel-warden accommodation. The second ST hostel was established in the year July 2009 having well-furnished 22 rooms with capacity of 60 residents, one guest room, one common room, one office, one mess, washrooms and hostel-warden accommodation whereas the second ST hostel is having capacity of 83 residents.

14. Add-on Programs

In the globalized job, market requires vocationally and professionally oriented Add-on programmes along with traditional graduation degrees. By keeping this requirement into consideration, UGC has decided to prepare Indian universities and affiliated colleges for Add-on programmes through the regulation in 1990s to vocationalize and professionalize undergraduate education during the eighth and ninth five-year plan periods (1992-97 and 1997-2002). Many professional and vocational institutions were established in the existing universities and their constituent colleges and introduced vocationally oriented courses and curricula.

With this vision, the UGC recast the vocationalization programme at the undergraduate level under a modified scheme of its **Career Orientation Program** during the 10th plan period. The new programs, as envisioned by the UGC, would be a flexible system of certificate/diploma/advanced diploma programs, which would run in parallel with conventional undergraduate and graduate degrees. The new initiative was also backed by the knowledge that “administrative” government jobs would decline in the future and more jobs would be available in the private sector due to economic liberalization.

Keeping in the view the above, Govt. Degree College Chamba is offering students different Add-on programs which will be notified during regular classes. These courses will be taken up beyond the routine timetable of the college.
